# Today's Special Sales Continued for Tuesday

The scene of constant, bustling activity at Goldenberg's is in striking contrast to the usual mid-summer lethargy that envelops other stores. We are not content to rest upon our oars and idly drift with the tide—but boldly strike out for the business that only needs the incentive of **BIG VALUES** to crowd the store.

Today we rolled up the greatest volume of business of any previous Monday this season. So great were the throngs at various times during the day that many of our customers were not waited on, and it is for their benefit, as well as our desire to make Tuesday equally as busy, that we have extended for tomorrow's selling all the special sales advertised for today.
